- According to the latest Covid-19 epidemic prevention and control requirements, all participants must register with their real names. All participants must meet four requirements at the same time: consistent identification, wearing a mask and showing the green "Hainan Health Code" and in normal temperature.
- All people onsite must wear masks, maintain a safe social distance of 1 meter, wash hands frequently, do not gather or crowd together, and reduce physical contact.
- "Hainan Health Code + Temperature Measurement + ID Card Original" will be checked onsite. All participants must show the green "Hainan Health Code" and pass the temperature measurement (<37.3 degrees Celsius).
